

## PRINCIPLE 6

### Businesses should respect and make efforts to protect and restore the environment

#### Essential Indicators

#### 1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

| Parameter   | FY 2023-24<br>(Current Financial Year) |                     | FY 2022-23<br>(Previous Financial Year) |                     |
|---|--|---------------------|---|---------------------|
|   | Value                                  | Unit                | Value                                   | Unit                |
| <b>From renewable sources</b>   |  |                     |   |                     |
| Total electricity consumption (A)   | 23.74                                  | GJ                  | 9.14                                    | GJ                  |
| Total fuel consumption (B)  | 0                                      | GJ                  | 0                                       | GJ                  |
| Energy consumption through other sources (C)  | 0                                      | GJ                  | 0                                       | GJ                  |
| <b>Total energy consumed from renewable sources (A+B+C)</b>                               | <b>23.74</b>                           | <b>GJ</b>           | <b>9.14</b>                             | <b>GJ</b>           |
| <b>From non-renewable sources</b>   |  |                     |   |                     |
| Total electricity consumption (D)   | 3,52,823.79                            | GJ                  | 3,29,981.40                             | GJ                  |
| Total fuel consumption (E)  | 17,54,346.79                           | GJ                  | 16,12,701.44                            | GJ                  |
| Energy consumption through other sources (F)  |  | GJ                  |   | GJ                  |
| <b>Total energy consumed from non-renewable sources (D+E+F)</b>                           | <b>21,07,170.59</b>                    | <b>GJ</b>           | <b>19,42,682.84</b>                     | <b>GJ</b>           |
| <b>Total energy consumed (A+B+C+D+E+F)</b>  | <b>21,07,194.32</b>                    | <b>GJ</b>           | <b>19,42,691.98</b>                     | <b>GJ</b>           |
| <b>Energy intensity per rupee of turnover</b>   | 0.00007735                             | GJ/rupee            | 0.00004705                              | GJ/rupee            |
| <b>Energy intensity per rupee of turnover adjusted for Purchasing Power Parity* (PPP)</b> | 0.00645662                             | GJ/rupee            | 0.00388019                              | GJ/rupee            |
| <b>Energy intensity in terms of physical output</b>                                       | 8.8035                                 | GJ/MT of production | 6.8337                                  | GJ/MT of production |
| Energy intensity (optional) the relevant metric may be selected by the entity             | -                                      | -                   | -                                       | -                   |

\*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published for the year 2022 by World Bank for India which is 22.88.

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.**

Yes, TÜV SÜD South Asia Private Limited

#### 2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

No

#### 3. Provide details of the following disclosures related to water:

| Parameter  | FY 2023-24<br>(Current Financial Year) |                            | FY 2022-23<br>(Previous Financial Year) |                            |
|--|--|----------------------------|---|----------------------------|
